

Gap Protection

The gap is the time period between when your documents are signed and when the sale is recorded in the public record. We are here to protect you and **have you covered during this time.**

We are proud to partner with First American Title Insurance Company, the **Nation's largest** Title Insurance underwriter. With their coverage you can rest assured that your biggest investment is well protected.

Title WRX ePay

Skip the bank! Earnest money can be securely deposited to Title WRX's escrow account via ACH payment, right on **TitleWRX.com**

TITLE WRX

"Title WRX creates a different standard in the world of Title, ensuring an **elevated experience** for REALTORS® and their clients."
– Title WRX Founders

With wire fraud on the rise, we are one of few companies providing an actual solution. CertifID is a technology to securely exchange wire information and guarantees your transaction funds up to **\$1,000,000.**

Security

Along with our **IT & Data Protection Servicer**, we protect our clients' private information by utilizing ongoing security analysis, virus protection, spam filtering, ransomware prevention and content filtering. For our email, we employ **Transport Layer Security (TLS)**, which encrypts data sent over the internet. Two factor authentication is utilized to access our internal processing systems.
